Enclosed are:

1) A Preliminary Amendment, which is the previous Amendment Under Rule 116 in the parent application. The previous claims were from 32 to 48. These claims begin at 49.

2) The title has been revised to more accurately reflect these particular claims, after removal of the Divisional Applications [such as Serial no. 09/573,381, Filed: 05/19/2000] There has been no new matter added.

3) 18 Sheets of drawing - Please use the drawings of the above application, but duplicate drawings are enclosed as well.

4) Patent Disclosure, including Abstract of the Disclosure - Please use the attached specification (including the claims and abstract) of the above application modified as follows by changes which add no new matter. A copy of the Original Specification from 1991 is included. The original specification has been retyped to include Greek symbols which were not available to Applicant in 1991. Deleted in this duplicate copy of the original specification are those sections associated with, and covered by, the Divisional Applications [such as Serial no. 09/573,381, Filed: 05/19/2000].

5) A Declaration and Petition as the last page thereof.

6) A check in the amount of \$355.00 to cover the Continuation fee. After entry of these Amendments (pursuant to Rule 116 if required) there will be not more than 3 independent claims and 20 total claims.

7 A Verified Statement claiming Small Entity status - A small entity declaration was enclosed for the above application, and a new supplemental declaration, if required, is also enclosed.

8) A self-addressed stamped postcard to indicate receipt of said Patent Disclosure.

Thank you.

Sincerely,

  
MITCHELL R. SWARTZ, M.D.
